

IL Gioco dei Dadi di Mozart

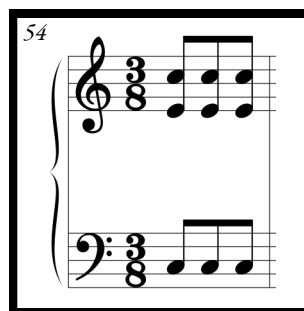

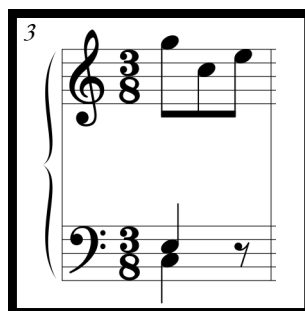

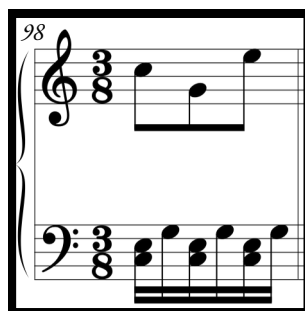

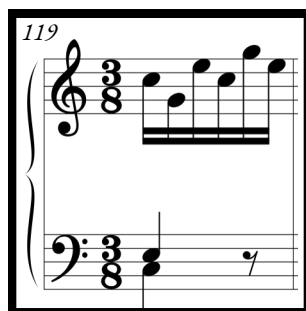

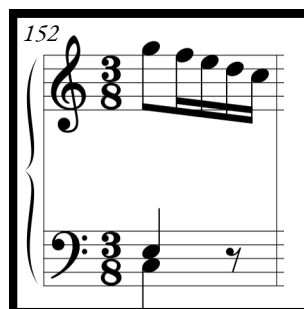

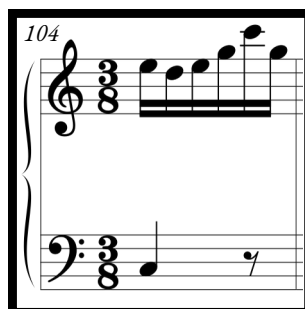

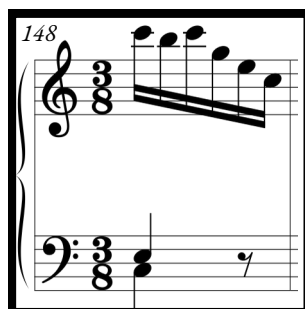

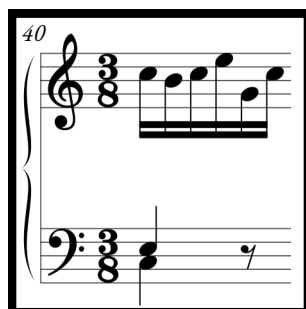

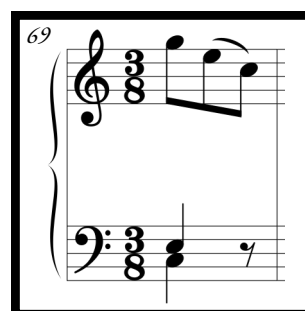

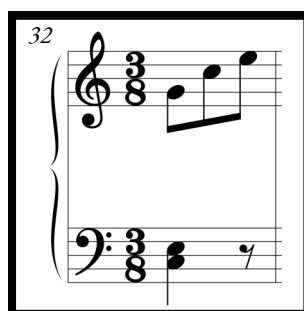

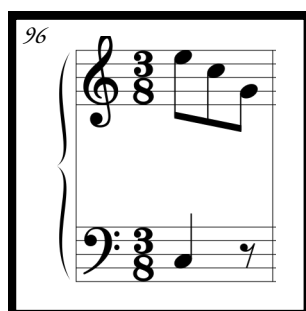

Il Gioco dei Dadi Musicali (Musikalisches Würfelspiel) è un'antica attività di creazione musicale in cui, tirando i dadi, si sceglie una serie di frammenti musicali precomposti per costruire una melodia unica. Per ogni lancio i numeri ottenuti aiutano a selezionare, da una tabella, la battuta da usare: in questo modo, anche chi non sa scrivere musica può “comporre” un minuetto diverso ogni volta che gioca!

The image shows a musical exercise on a five-line staff. It consists of two systems. The first system has a single eighth rest on the first line, followed by three eighth notes on the second, third, and fourth lines. The second system has a single eighth rest on the first line, followed by three eighth notes on the second, third, and fourth lines. A brace groups the three notes in each system.
